APPS WORKSHOP

Auditorium, Grain Building PRETORIA
08h30 – 17h00 Tuesday, 6 February 2018

You are invited to an Agbiz Grain workshop on Agricultural Apps that are focused on Grains.

The most important focus of the workshop will be to:

- i) get all the role players to share information, ideas and collaborate;
- ii) ensure a more effective and efficient use of resources;
- iii) provide some much-needed coordination and
- iv) ensure that there is synergy, but not overlap, between the various projects.

The participants are from government, the Agriculture Research Council and private sector.
